1.0 Introduction

The Canadian Centre for Occupational Health and Safety (CCOHS) is pleased to present to Parliament its annual report on the administration of the *Access to Information Act* (ATIA) for the fiscal year commencing April 1, 2022 and ending March 31, 2023.

1.1 About the *Access to Information Act* and Section 94 Requirement

The purpose of the *Access to Information Act* is to provide a right of access to information in records under the control of a government institution. The Act maintains that government information should be available to the public; that necessary exceptions to the right of access should be limited and specific; and that decisions on the disclosure of government information should be reviewed independently of government. This report is prepared in accordance with Section 94 of the *Access to Information Act*.

Section 94 of the *Access to Information Act* and Section 20 of the *Service Fees Act* requires that the head of every federal government institution submit an annual report to Parliament on the administration of the Act during the fiscal year. This report outlines CCOHS' accomplishments in carrying out its access to information responsibilities and obligations during the 2022-2023 reporting period.

1.2 About the Canadian Centre for Occupational Health and Safety

The Canadian Centre for Occupational Health and Safety is a departmental corporation under Schedule II of the *Financial Administration Act*, created by Parliament in April 1978 to promote the right of workers in Canada to a healthy and safe working environment. CCOHS is governed by a tripartite council with representatives of employers, workers and governments (federal, provincial and territorial) and is accountable to Parliament through the Minister of Labour. CCOHS is subject to the *Access to Information Act* and *Privacy Act* (ATIP).

CCOHS' mandate is to serve workers in Canada and the world with credible and relevant tools and resources to improve workplace health and safety programs. We believe that all workers in Canada have a fundamental right to a healthy and safe working environment. Through our programs, services, knowledge, commitment, and action, CCOHS will continue its efforts to advance health and safety in the workplace.

CCOHS is Canada's national occupational health and safety resource which is dedicated to the advancement of occupational health and safety performance by providing necessary services including information and knowledge transfer; training and education; cost-effective tools for improving occupational health and safety performance; management systems services supporting health and safety programs; injury and illness prevention initiatives and promoting the total well-being – physical, psychosocial and mental health - of working people. The Centre was created to provide a common focus for and coordination of information in the area of occupational health and safety.

To do this, CCOHS organizes its programs and services to achieve the following strategic outcome:

Improved workplace conditions and practices that enhance the health, safety and well-being of workers in Canada.

2.0 Access to Information at CCOHS.

As CCOHS is a small department with very few requests, minimal time is spent administering the Act.

The activities of CCOHS for Access to Information (ATI) are:

- processing requests under the Act through manual data retrieval processes,
- representing CCOHS in dealings with the Treasury Board of Canada Secretariat, the Information Commissioner and other government departments and agencies regarding the application of the Act as it relates to CCOHS,
- responding to consultations submitted by other federal institutions on CCOHS documents under consideration for release,
- preparing statistical and annual reports to Parliament and other statutory reporting requirements, as well as other material that may be required by central agencies,
- developing and maintaining policies, procedures and guidelines to ensure the Act is respected by departmental staff,
- promoting awareness of the Act within the Department to ensure responsiveness to the obligations imposed on the government,
- monitoring departmental compliance with the Act, regulations and relevant procedures and policies, and
- a monthly summary of ATI requests is posted online.

Under Section 96 of the *Access to Information Act*, institutions within the same ministerial portfolio can work together to process requests. CCOHS was not party to any service agreements with other government departments related to access to information during the reporting period.

Additional copies of this report may be obtained from:

Hamilton, Ontario, L8N 1M5

3.0 Access to Information Delegation Order

Section 95(1) of the *Access to Information Act* empowers the head of the institution to delegate any of the powers, duties or functions assigned to them to employees of the institution. During the current reporting period, none of the responsibilities under the Act were delegated but were administered by CCOHS' PCEO with the assistance of the Financial Administrative Officer.

4.0 Summary of Key Data

The Statistical Report on the *Access to Information Act* for 2022-2023 can be found in Annex A.

4.1 Requests Received and Completed Under the *Access to Information Act*

CCOHS did not receive any formal *Access to Information* requests during 2022-2023, which was slightly lower than the number of requests received in previous years. However, one informal request was received and closed during 2022-23.

No active requests were outstanding from previous reporting periods.

All requests were completed within legislated timelines for fiscal years 2018-2019 to 2022-2023.

ACCESS TO INFORMATION REQUESTS	2022-2023	2021-2022	2020-2021	2019-2020	2018-2019
REQUESTS RECEIVED	0	5	8	3	0
REQUESTS COMPLETED	0	5	8	3	0
REQUESTS COMPLETED WITHIN LEGISLATED TIMELINES	N/A	100%	100%	100%	N/A

During 2022-23, a complaint from a prior year was reopened by the Office of the Information Commissioner (OIC) due to a change in circumstances (passage of time).

There was no impact of COVID-19-related measures on the department's ability to fulfill its *Access to Information Act* responsibilities and no mitigation measures were implemented.

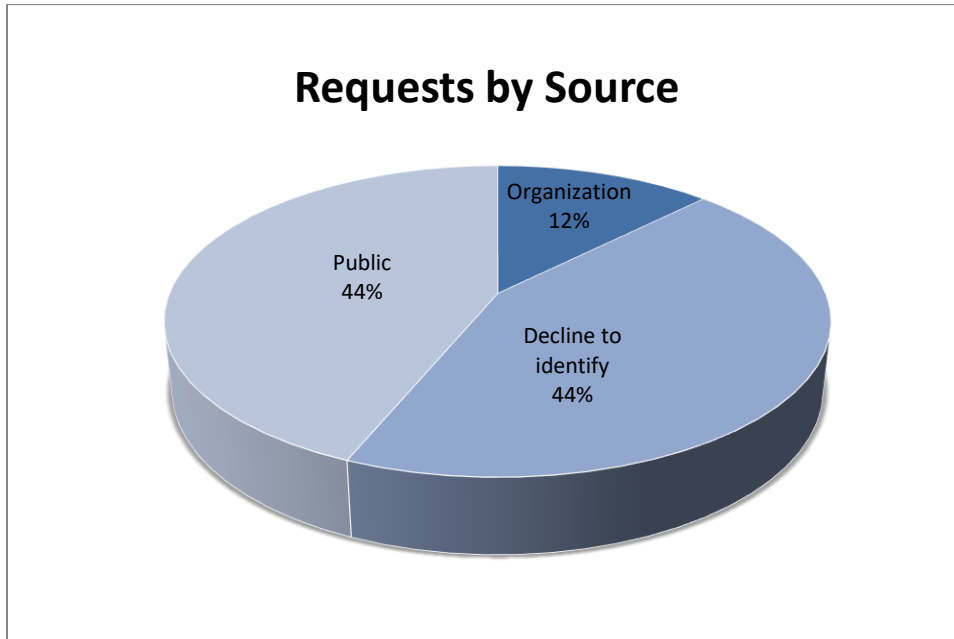

4.2 Sources of Requests

Most requesters over the past five years came from the public (7) and those which identified themselves as "decline to identify" (7) followed by requests from organizations (2), such as associations, unions, non-for-profit and voluntary organizations, etc.

A breakdown of the number requests by source for the five-year period starting April 1, 2018, to March 31, 2023, is found in the table below.

REQUESTS BY SOURCE	2022-2023	2021-2022	2020-2021	2019-2020	2018-2019	TOTAL
Academic	0	0	0	0	0	0
Business (private sector)	0	0	0	0	0	0
Media	0	0	0	2	0	2
Public	0	4	2	1	0	7
Organization	0	0	0	0	0	0
Decline to identify	0	1	6	0	0	7
TOTAL	0	5	8	3	0	16

The percentage of the total requests by source over the same five-year period are found in the chart below.

4.3 Exemptions and Exclusions

This section of the Statistical Report identifies the number of requests where specific types of exemptions were invoked to deny access. No exemptions have been invoked over the last five reporting years.

The *Access to Information Act* also allows for the exclusion of certain types of information from its application, specifically records that are already available to the public (section 68) and confidences of the Queen's Privy Council for Canada (section 69), which require consultation with the Department of Justice. No exclusions were applied to any information contained in records for completed requests during the previous five fiscal years.

4.4 Consultations Received from Other Government of Canada Institutions and Other Organizations

In 2022-2023, CCOHS received one consultation request from another Government of Canada institution.

5.0 Reporting on Access to Information fees

The *Service Fees Act* requires a responsible authority to report annually to Parliament on the fees collected by the institution.

With respect to fees collected under the *Access to Information Act*, the information below is reported in accordance with the requirements of section 20 of the *Service Fees Act*.

- Enabling authority: *Access to Information Act*
- Fee payable: \$5.00 application fee is the only fee charged for an ATI request
- Total revenue: \$NIL collected during fiscal 2022-2023
- Fees waived: No fees were waived during the fiscal 2022-2023
- Fees refunded: No fees were refunded during the fiscal 2022-23
- Cost of operating the program: \$800.00

6.0 Training and Awareness Activities

CCOHS is a small department and receives limited requests under the Act each year. Therefore, no formal training has been given to staff.

7.0 Policies, Guidelines and Procedures

CCOHS has not implemented any new policies, guidelines, or procedures during the year.

8.0 Complaints and Investigations

Individuals are entitled under the Access to Information Act to file a complaint related to their request for a record with the OIC.

During the current reporting period, CCOHS received one initial report of findings with recommendations from the Information Commissioner pursuant to Section 37(1) of the *Access to Information Act* for a complaint which had been reopened. A final report was also received pursuant to Section 37(2) of the *Access to Information Act* and CCOHS implemented the proposed recommendations and the case was subsequently closed.

9.0 Monitoring and Compliance

Due to the low volume of requests received, CCOHS does not have a formal or automated tracking system to record completion time. Instead, a manual record is used to track the progress of its requests which is monitored by the President and CEO and the Financial Administrative Officer.

10.0 Delegation Order

During 2022-23, CCOHS' President and Chief Executive Officer chose not to delegate any powers, duties, or functions of the *Access to Information Act*.
